

# Exhibitor and Sponsorship Prospectus

**IEEE Telepresence  
Leiden, The Netherlands  
8-10 September, 2025**

<https://conf.telepresence.ieee.org>

Dear Partner,

As General Chair and Sponsorship Chair of IEEE Telepresence 2025, we are delighted to **invite you to join us as a sponsor or exhibitor**. IEEE Future Directions initiated the Telepresence Initiative in 2021, and since 2024, IEEE Telepresence is a major international conference on **telepresence science, technology, and applications**.

**IEEE Telepresence 2025** will take place in the historic city of Leiden, the Netherlands, from September 8-10, 2025. It will provide researchers from **academia, industry, and government labs** with an opportunity to present ideas and establish contacts with other telepresence researchers from around the world. The conference will be at the City Concert Hall in the heart of Leiden and is only 15 minutes from Amsterdam Airport Schiphol, one of the world's busiest airports with more than 300 direct connections to all major international cities.

We will be able to offer you several options for sponsorship and are open to creating an offer that fits all your needs. **We hope you will decide to join us in making IEEE Telepresence 2025 a tremendous success**. As General Chair and Sponsorship Chair, we will be happy to work with you to find a level of participation that best fits your organization's needs.

Sincerely yours,

Jan van Erp, General Chair

Giacinto Barresi, Sponsorship Chair, [Giacinto.Barresi@uwe.ac.uk](mailto:Giacinto.Barresi@uwe.ac.uk)

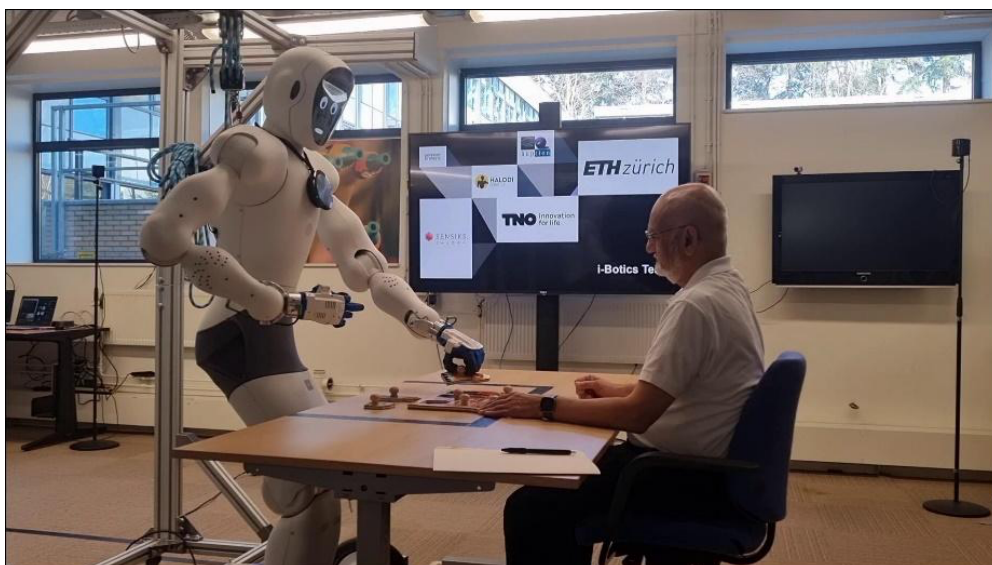

### Why participate in IEEE Telepresence 2025?

IEEE Telepresence 2025 will be a **three-day conference with diverse conference activities**, including technical paper presentations, keynote speeches, expert panels, special sessions, and hands-on demonstrations. This conference will be held in **Leiden, City of Freedom and Science in the heart of Holland**.

Our conference provides a fantastic opportunity for you to showcase your products, interact with experts and forerunners in this exciting and growing field, stay abreast of the latest breakthroughs, recruit the brightest new talent, and increase exposure to customers and partners within the community. **Sponsorship opportunities** can include a pre-defined package or a *la carte* options that are described in the following pages to best suit your organization's needs.

At IEEE Telepresence 2025 you can:

- **Network** with developers, researchers and scientists and companies that develop telepresence technology and the most advanced robotic interfaces.
- **Learn** about the latest developments in technology and breakthroughs in telepresence. See, touch and try the latest telepresence technologies.
- **Meet** and talk with potential customers, including the most distinguished researchers in the field.
- **Showcase** your products.

### The venue

IEEE Telepresence 2025 will be at the city concert hall (De Stadsgehoorzaal) in the city centre of Leiden, the Netherlands. **Leiden is a monumental university city with a beautiful historic city centre and a ring of canals.** Students from all over the world give the city a bustling, vivid and international atmosphere. Many important scientific discoveries have been made here, with Leiden University connected to 13 Nobel laureates, housing one of the largest bioscience clusters in Europe, and home to Clusius, Einstein, Ehrenfest, Von Siebold, Rembrandt, and many other influential artists and scientists. This gives rise to Leiden's motto: '**City of Discoveries**'.

Leiden is in the heart of Holland, with Schiphol International Airport at 15 minutes (direct trains at least every ten minutes), with the cities of Amsterdam, The Hague, and Rotterdam all less than 30 minutes by train, and just 12 kilometres from the North Sea beaches. Leiden has excellent public transport connections, and Leiden Central Station is within walking distance of hotels and the conference venue.

### Sponsorship packages

The pre-defined sponsorship packages available are listed in the table below. Note that prices include VAT. Customized sponsorship packages are also available on request; please contact the Sponsorship Chair for more details.
